

Terrain Gustavia 3

L A N D

This amazing parcel of land sits on the hillside above Gustavia with an access road not far from the lighthouse and boasts a spectacular view of the harbor, the yachts and the sunset. This buildable lot is 292 square meters and within walking distance to the restaurants, boutiques, Shell Beach, and all that Gustavia offers. A buildable lot next door can be combined to construct a larger villa. Don't miss the opportunity to enjoy building your dream home on beautiful St. Barth.
